identified application and readily available to the Examiner. Therefore it is believed that Applicants have met all requirements regarding duty of disclosure under 37 CFR 1.56.

Since the Search Report was from the JPO search authority, copies of these references should have been supplied to the United States Patent and Trademark Office under the trilateral agreement and are believed to be in the file of the above identified application and readily available to the Examiner. Acknowledgement and consideration of these documents are respectfully requested.

Respectfully submitted,
